

**Welcome to
Olinda Ferny Creek Junior Football Club**

**ROUND 12
July 8th 2022**

We are a Good Sports club

Message from the Committee - Round 12, 2022

Welcome to the Olinda Recreation Reserve for round 12 of the 2022 football season.

This round is dedicated to **NAIDOC Week**.

National NAIDOC Week celebrations are held across Australia in the first week of July each year (Sunday to Sunday), to celebrate and recognise the history, culture and achievements of Aboriginal and Torres Strait Islander peoples. NAIDOC Week is an opportunity for all Australians to learn about First Nations cultures and histories and participate in celebrations of the oldest, continuous living cultures on earth. You can support and get to know your local Aboriginal and/or Torres Strait Islander communities through activities and events held across the country.

For more info about NAIDOC week please visit:

<https://www.naidoc.org.au/about/naidoc-week>

Weekend Fixture Round 12

Friday 8th of July 2022:

Away - Under 9 Olinda Ferny Creek Red vs. Yarra Glen @ 05:30pm

Away - Under 9 Olinda Ferny Creek White 9 Healsville @ 05:30pm

Sunday 10th of July 2022:

Away - Under 10 Olinda Ferny Creek vs. Mt Evelyn @ 9:15am

Bye- Under 11 Olinda Ferny Creek

Home - Under 12 Girls Olinda Ferny Creek vs. Belgrave @ 10:15am

Home - Under 13 Olinda Ferny Creek vs. Healesville White @ 11:15am

Away - Under 15 Boys Olinda Ferny Creek vs. Yea @ 1:30pm

Home - Under 16 Girls Olinda Ferny Creek vs. Yarra Glen @12:20pm

Home - Under 17 Boys Olinda Ferny Creek vs. Mt Evelyn @1:50pm

A reminder that Spectators are only permitted onto the ground at half time breaks.

Spectators are no permitted onto the ground at quarter time and three-quarter time. This rule has been implemented to ensure games run on time given the tight scheduling.

Thankyou to our Sponsors

Thank you to all of our generous sponsors in 2022... It is with the support of our sponsors listed below, that the OFCJFC can continue to support our club members and the wider community. Please ensure you support these local businesses as much as they support us.

We hope you have a brilliant day at the footy and best of luck to all of the players and teams!!!

President's Report

Champions!!!

Coach Ben and his ripping lads and lasses have brought home the first Silverware of the year!! In what was a masterclass of modern footy, the mighty U10s have braved the weather and all-comers to win the U10 Outer East Lightning Premiership with an outstanding unbeaten run as they ripped through the opposition.

It came down to the last game as we faced off against Mt Ev who had also been unbeaten for the day. Mt Ev scored well in the first half and we had plenty of work to do in the second. But the boys and girls dug deep. Re-fueled by the half time lolly snakes, we used the downhill advantage to score and take the lead. Mt Ev came back hard but couldn't kick a major to sneak back in front. It was a tight see-saw battle played mostly in our half until a late mark and goal from a tight angle from Will Francis with about a minute to spare, saw us with an unassailable 7 point lead. Will probably can't even remember it amongst his lazy 11 goals for the day!

So we'd won the game, but had we won the premiership?!?

As the players crossed grounds to go to the presentations, there it was in bright lights on the scoreboard...

Winner - Olinda Ferny Creek!!!!

The kids screamed with joy, tears streamed down Coach Ben's face as he fell to his knees with his fists to the sky, parents hugged and just for that moment, the sky cleared and the valley glistened under the winter sun! What a day! What a win! Lifelong dreams fulfilled on that day! Would have been a hectic footy trip to Macca's on the way home, that's for sure!!

Thanks Ben and team for a ripping effort on the day. The club marquees looked great and what a spread the parents put on!! Without a doubt the best club representation out there - no wonder the kids performed so well under difficult conditions.

I guess I should also report on some of the other goings on around the club... although it's a bit hard to focus on anything else, to be honest!

The Under 9s have been fine-tuning their match day strategy ahead of their lightning premiership. I have assured Coach Tim that, no matter what happens, if the 9's don't come home with the silverware, he will have "the Full Support of the Board". But the U10s set the benchmark! No pressure Tim and team!

In all seriousness, the U9s have had a great season with their Friday nights and have shown that the club is in really good hands. The players have been amazing and loved their footy. The little legends played their last Friday night this week, with only their lightning premiership to go next week. Many thanks to Coaches Tim, Sven, Clint and Kier, Team Manager Extraordinaire Katrina, Two-team Trainer Natalie and all the parents that volunteered for all the various roles. Thanks also to Hayley for braving the Friday nights and coming down to run the canteen for the home games. It was a lot of fun and a real carnival atmosphere!

President's Report

The U11s continue on their merry winning way. This team is the team of quiet achievers, quietly conquering all comers at the moment. Normally supported by a couple of U10's, last outing they did it without them with a massive win against Wandin. They have the bye this week which might help them in their continuing recovery from leather poisoning.

The U12 girls had a great game against Healesville last outing and you can see their improvement each week. They're an awesome little unit and are really enjoying the game and each other. It's always a great start to a Sunday heading out to watch the girls play and it's awesome to see Nutbush City Limits finding a new lease of life in the warmup! Good luck this week against Belgrave!

The U13 boys are hitting their straps in their new division and are proving to be a real handful for opposition teams. The Spida army were boosted by their stand in runner last round, Matt Scharenberg, giving him the winning feeling that he'd been missing in the seniors. Seems like that winning feeling rubbed off as the seniors went on to a famous victory on the weekend! Onya for helping the seniors out, boys! We're also looking forward to these legends hitting the field on Sunday against Healesville.

The U15 boys have faced the furnace that is the Yarra Division. Their season has become very challenging in the top division which is just what the boys needed. At the time of writing, they were dusting off their last minute game plans ahead of a practice match with the senior women on Thursday night. Let's hope the girls show enough mercy on them that they can take the field on Sunday against Yea. Hopefully the bus trip and the "are we there yet?" chants will prepare them for that test!

The U16 girls had a fine win against Wandin last time out and will look to continue building their season against Yarra Glen this weekend. The girls looked really sharp last weekend and have really progressed over the season - the work that Claire and Gram have put into the girls is really showing rewards. It's great to see Grace playing both seniors and juniors, but the team is showing even workload across the ground as players such as Elsa, Eloise and Jackie rose to be leading contributors along with the stalwarts such as Kiah, Kaesha and Aurora. Good luck Sunday, girls!

And finally the U17s looked to have got their skates on in the second half of the season. With a deep list with the inclusion of the Monnie boys, they have started to really gel. The way they finished off Wandin away last round, in really trying conditions (compared to the tight game they had just a month or so before), is a testament to how they are progressing. Coach Paddy has got his swagger back! With Isaac and Ned playing seniors and Luca, Lachie and Christian having runs in the U19s, the exposure these boys are getting is invaluable. Whispers around the club are that Blair Wilson might pull on the jumper on Sunday too, after an extended stint on the sidelines with injury.

President's Report

Off field has seen a few highlights too, possibly the biggest being that the club Oodies are finally now in stock and available for sale. Get them while they're still in stock!!

Plans are afoot for the U16/17 Graduation and B&F dinner. Stay tuned for this one!

And dates for the AGM and Presentation Day are also being looked at for mid-late September. Keep an eye out.

If you think you'd like to support and get involved in the running of the club, consider putting your hand up to join the committee at the AGM. It's a great way to get to know your footy community and play your part in keeping this great club running the way it does! We have several committee members nearing the end of their journey with the club and we'd love to see some parents with kids in the younger teams get involved.

Works on the new netball course and cricket nets are scheduled to commenced not long after our season finishes. The biggest impact this will have for us is that we will have nets being the goals at the pavilion end which will save many car bonnets and kids chasing balls down onto the cricket net area.

And finally, we're looking forward to seeing everyone at our family night this week. The next one will be our final one for the year, Rd 15, where we will wish all of our teams the best of luck heading into finals. At this stage, it looks like all teams will make it to finals which is an amazing effort for a relatively small club like us!

Go Bloods!!

—

Kind regards,

Simon Gilson

President, OFCJFC

Hawkes Jumper Raffle

We have a 2022 jumper signed by their full list!!!! This jumper needs to go, it's just not a good look for the club to have it hanging around...

Tickets are \$10 a pop and all proceeds will go toward a new oven for the club kitchen, boring I know but much needed.

There are only 275 tickets available, so get in quick to secure a chance to get your hands on this wretched piece of football memorabilia.

To purchase this part of AFL and Hawkes history, please use the QR code below.

I hear you ask; Where do you get fixtures, Results and Ladders for season 2022?

Well, the answer is...

Here: <https://www.playhq.com/afl/org/olinda-ferny-creek-junior-football-club/ce3a15cf>

PlayHQ is on a mission to reinvent community sport technology, replacing decades of unreliable legacy systems and spreadsheets with a seamless, mobile-first digital experience that connects communities across sporting codes.

Capable of handling thousands of games and millions of players at a time, PlayHQ leverages powerful integrations, intuitive design and rich data to create an all-in-one software solution that streamlines every aspect of community sport administration.

Community sport makes the world a better place – and we want to make community sport even better, inspiring and uniting people from all cultures through egalitarian digital innovation.

Sustainability is fundamental to PlayHQ's brand and business. With a companywide focus on energy efficiency, waste reduction and recycling, we're committed to lifting up sports communities while preserving the planet they play on.

OFCJFC Theme Song

*We are the red and white
We are the good old red and white
We're the team that comes from all around
We'll beat them on our own or any ground
Some (hey) come (hey) to cheer us
While others come to jeer us
They will never get near us
Cause we are the team they hate playing
We are the good old red and white.*

Round 10

17/6/2022

Opposition - Yarra Glen

Our young bloods headed out to Yarra Glen for their round 10 clash. With partly cloudy skies and still wind conditions, it was perfect for an evening battle.

With the remaining season fixture only having 1 game scheduled per night, our red team was keen to get stuck in early, knowing the fitness built up over the season would easily carry them through only 4 quarters.

From the first bounce it was clear our kids had come to play. Dominating out of the center and up forward. Asher and Fletcher silenced the Yarra Glen crowd early, having the ball on a string and pilling on 4 goals between them. The tackling pressure from Harley had the opposition backline in a panic.

In the second quarter, the link up handball from Finlay and Ayden was clinical. While Wil up forward bagged 3 for the quarter, and Seth snapped an impossible goal from the boundary that even Dustin Martin would have been proud of.

The second half continued like the first. Monty and Patrick were fearless with their attack on the ball and tackling pressure, with no easy kicks to be seen from any Yarra Glen player. William snuck in a goal, which had him grinning from ear to ear. And Oscar was sensational when up forward, kick 3 last quarter goals.

The improvement from our kids each week has been really pleasing. The confidence is definitely growing.

Only 2 games and a lighting premiership remaining for 2022 under 9's.

Tim Francis

Round 10

17/6/2022

Opposition - Woori Yallock

It was another mad Friday afternoon rush off the hill as the U9s travelled down to Yarra Glen for a 5.30pm kick-off. Following a frenetic first 9 rounds where the U9s played two games back to back each Friday evening, round 10 reverted back to the one game. While watching our kids match up against two different sides each Friday would be missed, trying to extract them from the hot chips queue at the canteen in between games would not.

The Olinda White team were up against Woori Yallock and the most stunning collection of mullets you would find outside of a Warrant Fanatics Convention (ripping song 'Cherry Pie' by the way).

As they have done all season, the Olinda Whites came to play, and despite being under-sized, held their own throughout the game.

Our tackling maestros, Lacey and Cody never gave their Tiger opponents an inch, trapping them in the tightest of bear hugs at every chance.

Charlie and Bella continued their great on-ball form, always burrowing into packs and moving the ball forward.

Ruby and Taylor once again showed dash off the wing, sprinting down ground and delivering the ball towards goal.

Jimmy and Harry stood strong like Roman centurions in the backline, constantly repelling Woori's forward forays.

Ellie and Brandon darted around the forward line, the threat of threading the ball through the big sticks ever-present.

And Indie did what Indie has always done; swatted opponents away like she was Jonah Lomu; and generally dominated!

Another great game from the Olinda Whites. Our kids' enthusiasm for having a crack no matter the opposition, has been a thrill to see and be a part of all season.

Their improvement and growth in confidence every game has been inspiring, and a great sign for the future of Olinda footy; women, men, the lot of us!

Round 9

5/6/2022

Opposition - Healesville

We welcomed Healesville to our ground by serving up the coldest Sunday thus far this season.

It was a huge week for the 10's as we had Bailey Salomon's debut for the club.

After some pre game banter and a party like jumper presentation.... We gritted our teeth and left the comfort of the change rooms!!

We really focused on being first to the ball on such a wet day, which meant a great start for the young bloods.

We were able to control the ball and keep it locked in our forward 50 for much of the game.

As the game wore on the rain began to fall sideways... this did effect our rotations as we lost a few players to frostbite and the inability to feel anything!!!!

It was hilarious to see at least a 1/4 of our team finish the game in a hoodies with jumpers over the top.

Awesome game 10's.... Your teamwork is really standing out and making you a team not to be taken lightly!!

Under 10 Mixed

Coach – Ben Smith

Round 10

19/6/2022

Opposition - Seville

It was back on the road for the mighty 10's this week... and with a full squad at hand, they were fired up to take the points.

The muddy ground played havoc on the warm up, with a few players getting covered before the opening bounce.

Not only the playing field was treacherous but the car park more so resembled a pig pen than a spot to park up the prize ute.

All things considered we entered the first quarter with plenty of dash.

Syd Higgins and Finlay Belamo drove the ball forward at every opportunity, giving our forwards a royal feast of football!!!

Once in our forward line, the pill simply did not come out until a goal was scored!!!

It certainly was a day to be playing forward.

The young bloods dominated all aspects of the game, especially the pressure put onto their opponents as soon as they took possession.

Other highlights included a diving mark and play on goal from Sol Smith, strong pack marks from Adam Piper and William Brown,

chase down tackles from Rupert Walker and incredible teamwork displayed by the entire group.

We played out the game in great style, making life hard for Seville and showing how far our skills have come this year!

It's pleasure coaching such a happy and eager group of football fanatics

Super effort everyone!!!

Go Bloods.

Round 11

19/6/2022

Lightning Premiership

This year the Lightning Premiership was hosted at Wesburn Football Club.

A day that plays off all the current U10 teams against each other, for a winner's trophy as the prize!!

This is undoubtedly the grand final of the calendar, and boy were we ready to give it our best shot.

After a strong month of team football, we were ready to take on the Yarra Valley's toughest opponents.

Olinda started the day with a top class set up...this included two Marquees, colour coordinated decorations, an awesome spread of food and lastly a collection of the junior clubs finest dressing gowns. We simply couldn't be missed!!!

The fixture has us play first against Seville where we hit the ground running and poured on 8 goals to comfortably chalk up the win.

We were blessed with a bye for the second round, giving the coaches time to prepare the team lists and players the chance to fuel up on sandwiches and hot milo.

The next few hours were to prove brutal as the rain smashed down and the wind chill factor had the fans shivering in their seats.

Luckily our footy was so hot and fun to watch , it kept everyone shouting and cheering for more!!

The wins kept coming as Olinda dealt with Wandin, Upwey, Woori Yallock, And Healesville one after another.

It was survival of the fittest, but as Olinda does, we find a way together as a team and as a well oiled machine!!

As fate would have it, we were matched up with Mt Evelyn for our final game, in what would turn out to be the Grand Final!!

One last effort was called on by the coaches.... This was met with utter passion as the 10's formed a circle to deliver the final messages.

A new mantra had been created for the day.

This went as follows....

Who Are We? (Coachs yell).....

"Young Bloods " (Players response)....

Under 10 Mixed

Coach – Ben Smith

Team Manager – Hayden Friend

Round 11

19/6/2022

Lightning Premiership

This set such a foundation for the days efforts that when we met in that circle at each break.....you could really feel who we were representing that day.

The Final turned out to be our greatest challenge. We met in the circle again at the half time breaking staring at a 4 point deficit.

We hadn't even had a shot on goal and were on the ropes.....

We spoke about our best being yet to come...and boy were we right!!

A dynamic second half enabled us to kick two goals four points to storm to victory and take the silverware!!!!

The crowd noise was enormous in the dying minutes, as the Young Bloods created history.

It what can only be described as an all round team performance, the ability of our team to share the ball, look for each other and pick each other back up all day was simply inspiring.

The smiling faces said it all as we celebrated with the trophy in hand!!

Simply Brilliant 10's.....

We as coaches and parents are super proud of your efforts and the growth you have all shown this year!!!

Yeeee Ha!!

Round 10

19/6/2022

Opposition - Monbulk

A wet week on the training track saw ten committed players work on their defensive skills. This week's game was against a finals contender, this time against Monbulk. With more players available than we have had for a while, confidence was high. We took to the field with 15 players and another four from the under 10s came along at quarter time to take up their spots.

The first quarter saw a lot of pack footy. So many players all surrounding the ball, it was hard to get our game going. Every time we got hold of the ball, we were under pressure and it took quite a while to adjust to this style of footy, on a much larger ground. Archie was doing a great job in defence early on, ensuring that any opposition forward moves were sent back the other way. Ollie and Jack were drawing on all their stamina and picking up their share of the footy in both attack and defence. In the second quarter, Saxon went into the ruck and gave the other onballers some opportunities to get their hands on the ball. However, with so many players returning from illness and not having played for a while, the lack of stamina was evident. To the player's credit, their effort and willingness to go after the footy remained.

Going into the last quarter, we found ourselves behind on the scoreboard and with five minutes to go, we were 8 points behind, having only kicked two goals for the game. The ball lived in our forward line and we managed to scramble two points. A kick out from the opposition, along with a great deal of forward pressure resulted in Connor L gathering from 30 metres out, brushing off an opponent and kicking a goal to tie the game with 1 minute 30 left on the clock. Connor then went into the middle to contest the ruck. He put the ball into Ollie's path who, under pressure, got some great distance into his kick. Syd and his opponent battled for it with Syd gaining a metre's space, picking it up cleanly, steadying and kicking a goal from 20 metres out. We had hit the front. 30 seconds on the clock was not enough for Monbulk to get the ball out of the middle and we held on to win a memorable game.

Every player on the ground should be congratulated for their effort and mindset. When we lost to Mt Evelyn earlier in the year, we had dropped our heads when faced with the same situation. Today was a big step for us.

Award Winners: Saxon, Ethan P, Levi, Archie, Connor L

Final Scores: Olinda 4. 5. 29 def Monbulk 3.5.23

Round 10

19/6/2022

Opposition - Mt Evelyn

The Young Bloods came ready to play and it was clear they had listened to the coaches about preparing well for footy by giving the technology a rest and going to bed at a reasonable time. The club had provided new magnets but there were question marks by some with the use of the first names only.

The good preparation paid off as the boys were first to the footy led by Flynn in the ruck, Rio Naish and our Captain William getting some early clearances.

The instruction at quarter time was to go long and direct as conditions were slippery despite the sunny day. The boys responded as we had our best passage of play of the season where we went from a kick out all the way to our forward line to finish with a goal. Braydon, Oliver M, Spencer, William and others were all involved in the great play.

Oliver H was doing a great job sticking to his man and also getting his own footy too. Jarrah's skills from half back, Hugo was like a glove on his man and Ned's attacking of the footy were frustrating the opposition as they were struggling to score.

The forward line was functioning as Louie, Archie, James, Harry and Fergus all presented and attacked the footy hard.

All in all it was a great team effort and everyone contributed to without doubt our best performance of the year as we ran out convincing winners against our top of the ladder opponents. A couple of players gained injuries and so the concussion protocols will be used where necessary to ensure the health and safety of all players is prioritised.

Well done to the Young Bloods.

Team Manager - Caz Bates

Round 10

19/6/2022

Opposition - Mt Evelyn

Heading down to Mt Evelyn, we knew it was going to be a hard physical game playing against a much larger team.

With a number of outs, and only sixteen players available, the boys competed hard for most of the game but were overwhelmed in the end, culminating in our first loss for the season. We will get a lot of learnings from the loss, and it is now how the boys respond to our next challenge that matters.

The boys should be proud of their effort and hold their heads high.

Round 10

19/6/2022

Opposition - Healesville

With a BYE in Round 9 followed by Queens Birthday Long weekend, the Under 17 chaps were fit and raring to go as we took on Healesville in our Round 10 clash at Monbulk Reserve..

The very strong focus this week was on TEAM and TEAMWORK. Doing the team things, bringing your tram mates into the game and really working on that team connection.

Pleasingly, the boys responded really well putting in a dominant 4 quarter performance against a team that we only just managed to beat earlier in the season..

The Team Work, contested footy, pressure acts and ball movement (run and receive) was the best it has been all season and was great to watch...

Today's game sets us up really nicely for the remainder of the season as we have now set the benchmark as to how we want to play and I look forward to building further on this over the next few weeks.

Finals Score

OFJFC 14.12.96 def Healesville 2.2.14

“Our Mission”

Short Mission Statement:

The mission of our club is to provide a positive and enjoyable environment for our children to develop their physical and social skills through their participation in Australian Rules football within our local Hills community.

Long Mission Statement:

The mission of our club is to provide a positive and enjoyable environment for our children to develop physical and social skills through their participation in Australian Rules football within our local Hills community. We will achieve this through our commitment to the following the below core club philosophies:

Player Development: We strive to inspire and develop our players' football skills, confidence, self-discipline, fitness, initiative and sense of teamwork to their highest potential as well as promoting positive personal values and a healthy lifestyle.

Sportsmanship: Our program is designed to instil good sportsmanship in every facet of the game, both on and off the field. We value endeavour, persistence and playing in the true spirit of the game rather than a win-at-all-costs-attitude.

Respect: Our values are based on a foundation of respect for our club, our members, our opponents and officials.

Positive Coaching: We are committed to providing our players with the best possible coaching and will seek to deliver this by actively supporting the accreditation and ongoing development of our coaches.

Active Participation: We encourage and will facilitate the positive involvement and equality of opportunity for all members of our club including players, supporters and volunteers.

Sense of Community: The Hills support a community with a long-standing tradition of healthy competition, participation, and service. We expect our members to take pride in the club and the club to take pride in its role in the community. We seek in return for the community to take pride in our club.

The accomplishment of our objectives will be promoted through the establishment and provision of:

- Quality administrative systems and procedures to support our volunteers;
- A strong financial position;
- A viable membership base;
- Strong links to regional, state, and national football resources and infrastructure.

“Our Policies”

OLINDA FERNY CREEK JUNIOR FOOTBALL CLUB POLICIES:

- OFCJFC players, parents, coaches, spectators, officials & administrators are to abide by the Codes of Conduct detailed in the By-Laws of the Outer Eastern Football League.
- The club and OEFL have a non-smoking policy. Smoking is not permitted inside the perimeter of the playing arena or inside the clubrooms or the undercover area outside the canteen.
- All membership dues must be paid in full before a player takes the field. This includes training.
- Players giving away 30 or 50 metre penalties shall be substituted immediately by the coaching staff (at their discretion).
- Umpires are not to be questioned or approached on game day.
- Mouthguards are compulsory during games. They are highly recommended for training sessions.
- The OFCJFC has in place an approved Covid Safety Plan that is available upon request.
- The club encourages development of players, coaches and officials. All coaches are asked to enrol in a Level 1 AFL accreditation course, which will be paid for by the club. Similarly, trainers are encouraged to enrol in sports trainer's courses, which the club will pay for.
- The club requires the following positions filled each year to operate: President, Vice President, Secretary, Treasurer, Canteen Manager, Sponsorship Manager, Website Co-ordinator, Registration Secretary, Risk Management Officer, Footy Record Co-ordinator, Public Officer, League Delegate, Social Secretary, Property Steward, General Committee.

NO ALCOHOL

TO BE CONSUMED AT JUNIOR FOOTBALL DURING GAME TIME

2017 Tobacco Reforms - Smoking is off the menu!

From 1 August 2017, changes to the *Tobacco Act 1987* will mean that smoking is banned at all Victorian commercial outdoor dining areas when food is available for consumption.

The smoking ban includes:

- premises such as restaurants, cafés, take-away shops and licensed premises, including courtyard dining areas and footpath dining;
- food fairs; and
- within 10-metres of a food stall or vendor at other organised outdoor events, including community or street festivals.

Smoking will also be banned in an outdoor drinking area if any part of that area is within 4-metres of an outdoor dining area, unless separated by a wall of at least 2.1-metres high.

The State Department of Health and Human Services have developed a number of guidelines and fact sheets that explain the new laws and how to comply :
