

**Welcome to
Olinda Ferny Creek Junior Football Club**

**ROUND 14
July 22nd 2022**

We are a Good Sports club

Weekend Fixture Round 14

Sunday 24th of July 2022:

Home - Under 10 Olinda Ferny Creek vs. Wandin @ 9:15am

Home - Under 11 Olinda Ferny Creek vs. Monbulk @ 10:10am

Away - Under 12 Girls Olinda Ferny Creek vs. Upwey/Tecoma @ 10:15am

Home - Under 13 Olinda Ferny Creek vs. Belgrave @ 11:15am

Away - Under 15 Boys Olinda Ferny Creek vs. Woori Yallock @ 6:30pm

Home - Under 16 Girls Olinda Ferny Creek vs. Wandin @ 12:15pm

Away - Under 17 Boys Olinda Ferny Creek vs. Healesville @ 4:30pm

A reminder that Spectators are only permitted onto the ground at half time breaks.

Spectators are no permitted onto the ground at quarter time and three-quarter time. This rule has been implemented to ensure games run on time given the tight scheduling.

Thankyou to our Sponsors

Thank you to all of our generous sponsors in 2022... It is with the support of our sponsors listed below, that the OFCJFC can continue to support our club members and the wider community. Please ensure you support these local businesses as much as they support us.

We hope you have a brilliant day at the footy and best of luck to all of the players and teams!!!

President's Report

Well the season is hotting up as we get to finals! Only two rounds to go and, at this stage, it looks like all teams will qualify, which is amazing!

But before that, we must wish thanks to Tim and his team of coaches and volunteers in the U9s. Unfortunately, their lightning premiership had too much lightning and not enough premiership as it was called off due to the weather. The kids were tracking along nicely, looking to add to the mighty U10s silverware for the year, but no such luck. The U9s program this year has been amazing and it's fair to say the club is in good hands with the team of people chipping to make it what it is. Special thanks to Tim, Sven, Clint, Kier, Katrina, Hayley and Natalie for their efforts all season, along with the myriad runners, goal umpires, orange cutters, etc, etc, etc... I loved heading down on cold Friday nights to watch the kids play and their enthusiasm for the game and playing together. They've finished up for the year now, but many of them are chipping in to the U10s and U11s to see out the season. Well done guys!

On to Sunday football...

The U10s have understandably coasted through the last few weeks with a swagger and their autograph pens at the ready. The bye last week gave them a chance to plan their end of season trip and polish up their mullets for presentation day. It's gonna be a big off-season for these rippers!!

The U11s had a tough week last week against ladder leaders, Healesville, but they showed that they can play good footy against the top of the table sides. They'll learn from the experience and will be better for it. They've been a great team this year, quietly going about their winning ways and Stuart and his team must be commended for their efforts!

The U12 girls are still getting new players!!! These guys have come from the brink of folding - they were literally given 5 days to find 5 players after their practice match!! And now, they have a full list and these new players give us a chance to field an U14 side next year! Well done girls! Better yet, they love their footy and are getting better every week. Some of the girls played with the boys in the inter school carnival last week at Mt D and have come back with new tricks and skills which is great.

The U13 boys are tearing up their division which is great to see. Spida gave the Seville, who were down on numbers, three of his best players last week and asked them to really have a run for them, which they did. Not only did it help Seville be a little more competitive but it also helped our boys develop their own game against some of our better players. So a good result for all.

President's Report

The U16 girls also had a tough outing last week at Emerald. Being a few players short of their best side, going was always going to be tough but Claire and Gram were happy with the efforts of the girls, especially some of the bottom age girls coming through.

The U17 boys might have had an off week last week against Belgrave. Given the run they've been on, at some stage they were going to have to have a reality check and three weeks out from finals is as good a time as any. Paddy will be keen to see them play some good footy again this week.

So last week was a tough one for the club on the field, but I don't think anyone can take away from just how good a season we've had and the enthusiasm our kids have shown their footy.

A reminder: we'll have a raffle this round at home to raise funds for the U16/17 best and fairest night and we will also have some big news to announce around that soon.

The Hawks jumper raffle has been a little disappointing, to be honest. The good news is that with only 65 tickets sold, your chances of winning it are amazing if you have a ticket. If you don't, you only have a week to get tickets as we'll draw it at the Round 15 family night. Even if you don't want it yourself, buy a ticket - it would make an amazing Xmas present to your favourite Hawks supporter! All funds will go towards the new oven upgrade at the club, which will make our family nights and club functions better and easier to manage for our legendary volunteers in the kitchen, Hayley and Carey. Do it for them!!!

Next week is a home round with Family Night. Let's make it a big one as we send ALL of our teams off to finals!

Hawkes Jumper Raffle

We have a 2022 jumper signed by their full list!!!! This jumper needs to go, it's just not a good look for the club to have it hanging around...

Tickets are \$10 a pop and all proceeds will go toward a new oven for the club kitchen, boring I know but much needed.

There are only 275 tickets available, so get in quick to secure a chance to get your hands on this wretched piece of football memorabilia.

To purchase this part of AFL and Hawkes history, please use the QR code below.

I hear you ask; Where do you get fixtures, Results and Ladders for season 2022?

Well, the answer is...

Here: <https://www.playhq.com/afl/org/olinda-ferny-creek-junior-football-club/ce3a15cf>

PlayHQ is on a mission to reinvent community sport technology, replacing decades of unreliable legacy systems and spreadsheets with a seamless, mobile-first digital experience that connects communities across sporting codes.

Capable of handling thousands of games and millions of players at a time, PlayHQ leverages powerful integrations, intuitive design and rich data to create an all-in-one software solution that streamlines every aspect of community sport administration.

Community sport makes the world a better place – and we want to make community sport even better, inspiring and uniting people from all cultures through egalitarian digital innovation.

Sustainability is fundamental to PlayHQ's brand and business. With a companywide focus on energy efficiency, waste reduction and recycling, we're committed to lifting up sports communities while preserving the planet they play on.

OFCJFC Theme Song

*We are the red and white
We are the good old red and white
We're the team that comes from all around
We'll beat them on our own or any ground
Some (hey) come (hey) to cheer us
While others come to jeer us
They will never get near us
Cause we are the team they hate playing
We are the good old red and white.*

Round 13

17/7/2022

Opposition - Healesville

School holidays, a bye, and we were back into it against the top team, an unbeaten Healesville. The boys were pumped and excited to see where we were at against a top team. Unfortunately, a number of late withdrawals made fielding a full side challenging but we were served well by two of our Under 10 lads- Bill and Sol. Healesville loaned us two players to make up our 18.

The first quarter saw us give up an early goal but to the boys credit, they rallied and the ball lived in our forward line for much of the quarter. Unfortunately, we weren't able to convert that into a goal and found ourselves down at quarter time. Connor L, Jack and Ollie were giving us plenty in the middle of the ground and Sol on the wing was positioning himself well, picking up many disposals and ensuring that there was pressure on his opponent.

The second quarter saw us having to adjust when Connor L went down with a game ending injury, and we lost our structure. The Healesville half forwards were proving to be a bit of a handful and we ended up giving up a few goals late. In the third, despite some good efforts from Levi, Sol and Ollie, Healesville pulled away. Jack went back to the half back line to minimise the impact of one of their very good players. Connor Mc was doing well at half forward, taking on his opponents when he got possession. In the last, Ollie went back to half back to negate their better player, and Josh went into the ruck and competed well.

The final score probably doesn't reflect how hard the boys worked against a top team who had the ability to rotate players. At least we now know the benchmark and will put some things into practice during the week to help our run into the finals.

Award Winners: Coaches: Sol, Encouragement: Jack, Fish n Chips: Archie, Pizza: Ollie and Cheeseburger: Connor Mc.

Final Scores: Olinda 0. 4. 4 lost to Healesville 8.9. 57

Goal kickers: None today

Round 11

26/6/2022

Opposition - Mt Evelyn

Although the score board did not tip in our favor this week, the attacking nature of the girls was on show. With a late game scheduled (10.10am) the energy was high and the warmup thorough. Reagan's ruck work was really on show this week with her winning over 50% of the tap outs. With the other team showing their physicality, Lili, Lucy spent a great deal of time tackling and ensuring the ball got out of the packs as the game opened up their passages of play down the wings were commendable. Playing hard at the ball, Willow showed her athleticism with sprinting and tackling which was definitely her best game which earned her the coaches award. With Aaliyah also starting in the mid, we started to see a hard at the ball, physical game from her which was a good obstacle for our opposition.

The back line had a big day with Bea leading the charge in FB and performing some well executed kick outs from the backline and coordinating the team from this position. Lara, Stella and Jasmine had really physical matches in defense and they lead themselves to near exhaustion to ensure the point scoring remained as low as possible. Lulu also played a part down here with her being an integral part of the game play again showing us how she has precision when marking. Also playing a part in the backline and anywhere we asked Claire, again showed how much she has come on this season with her attacking football and ability to play in any position competently.

Although Evie suffered a kick to the face she got back up and made every attempt to be first at the ball. Franky waited patiently for the ball to come down to the forward line and when it did her speed and natural ability to read the play was on show. Tahlia, coming off some sickness is also one of our new team members who is speedy and this shone through. She may be small but she is tactile.

This game really showcased improvement in our attacking game and defensive abilities. It was a rough game, probably the roughest we have had so it also showcased how we are working on our mental strength.

Under 12 Girls

Coach – Jaimee Denovan
Team Manager – Jenni Rayner

Round 12

10/7/2022

Opposition - Belgrave

The team kicked off the round of matches at home in the gorgeous sun. This game panned out to be one of most exciting games with skill, strategy and strength on show. Unfortunately Lulu was unable to play due to injuring her foot during warm up and she was sadly missed by all team mates. Fingers crossed she is back next week.

The first quarter saw Frankie off to a flying start with a great handball into our forward line followed by great intensity and concentration throughout the game. Lara got straight in with a couple of hand balls and great efforts at the bottom of many packs early on. Bea began her strong tackling game in this quarter, and had a ripping game with her aggression at the ball on show, which continued for the whole game.

The second Quarter saw Reagan starting to fire with great team work with Lili in the Ruck and taking a couple of great marks. During this game Reagan showcased her football ability to run on and pick up the ball which made a difference to our scoring efforts. Lili continued to play hard this game with a great smother on the defensive wing. Week in and week out she tackles, is at the bottom of the packs and gives the ruck a crack where she often wins the tap out. But this week she found the art of dropping back into space to be an option and that proved her footy brain started to click. This quarter Vee kicked a ripping goal from a set shot and handled the pressure fantastically. Not only that, she also found the art of dropping back into the square with the play got congested.

The third quarter was our best and according to my stats person, this was the quarter we won the stats game! Willow came out firing here, with a couple of marks and some excellent football making a difference in the center. The team's pressure was on show with Stella and Jaz working that back line to ensure their scoring was suppressed and the ball remained in our forward line. Jess showed her athleticism by running with the ball, and handballing out of the packs. Reagan kicked a goal this quarter adding to a great day on the field. Thalia has a great game continuing her no fear game plan where she was often first at the ball making for a dynamic forward line.

The final quarter saw the speed and efforts increase. A couple of goals from Belgrave in the first 5 mins didn't dampen the mood, and this saw an increase in intensity from all players. Claire saw her best football in this quarter applying the pressure in the back line and getting first to the ball when she could. Bea again applied the pressure in this quarter and roved so well which earned her the coach's award.

The team defiantly showed improvement in their understanding of the game plan, skills and being strong mentally. We thoroughly enjoyed our fans cheering us on and made such a difference to the energy on the ground.

Round 13

17/7/2022

Opposition - Seville

The Young Bloods were pumped up as per usual knowing that a big kill was on the cards at Seville but the boys still had to deliver and play team footy. That is exactly what happened as Al 'The Stare' Deering lined up in a foreign position of full forward. It took him a quarter before he saluted with his first major of the season. Flynn, Jarrah, Spencer, Ollie M, Kadin, Ned, also all kicked goals with the Knock Out blow being kicked by Ko. Jesse "The Body" Desta kicked 2 along with skipper Will i B (Not Will I am) with a big assist from Rio Naish.

12 players had to help out the opposition by playing 1 quarter for them which the boys did with a great attitude.

Ultimately it was the run and carry into the breeze along with the sharing of the footy that was a highlight for the boys. A real team effort leaving the Coaches Mayor Brown and hazbeen Spida very happy leading into the last round before finals.

Olinda 12.9.81

Round 12

10/7/2022

Opposition - Yea

In beautiful sunshine and after our epic bus journey, we finally arrived in Yea for what proved to be a tough, physical contest. The boys started slowly and warmed into the game. Although challenged by Yea's physicality, the boys stood tall and came away with a comfortable win. Some of the ball movement by the boys was a pleasure to watch as this is something we have been working hard on. Big thanks to our awesome bus driver, Caz Bates and Tara Tonkin for organising. Cheers
Scott

Round 13

17/7/2022

Opposition - Healesville

Another top of the table clash against the undefeated Healesville was always going to be a tough day as we found out. Healesville ran away with a comfortable win but to the boys' credit, they never gave up the chase and had some really good strong passages of play. As a team we learnt plenty by playing against such a strong team. All the boys should be proud of their efforts throughout the game. Cheers
Scott

Round 11

26/6/2022

Opposition - Wandin

Having only beaten Wandin by the barest of margins earlier in the season the boys were set for a big clash as we took on Wandin at “the Kennel” for Round 11 clash.

The boys started reasonably well kicking 3.6 in the first quarter. The wayward kicking left the door open for Wandin who capitalised kicking 2 straight for the quarter.

With the rain and wintry conditions settling in, it was pleasing to see the boys maintaining good skills and good teamwork in the 2nd quarter. Whilst we were winning around the ground, a 21 point lead at half time was not a true reflection of our control over the game. The second half saw Wandin throw everything at our boys in what was a highly contested half of footy. Our boys were able to withhold this pressure and maintain a good structure around the footy...

The boys seemed to thrive in the contest (and the conditions) which was really pleasing and to their credit, they went on to secure a hard fought 23 point victory..

Round 12

10/7/2022

Opposition - Mt Evelyn

After a number of weeks away the boys returned home for their Round 12 clash against Mt Evelyn. The boys were set for a big game having lost to Mt Evelyn by 4 points in Round 1. We were also celebrating 100 game milestones for Tavish Aitken and Kody Gates and welcomed back Blair Wilson after a lengthy stint on the sidelines due to injury..

The boys started well kicking three unanswered goals in the first quarter however there were some early signs that we were not being as team oriented as we had been in the last two weeks. This was addressed at Quarter time and the boys put together a very good second quarter, adding another 5 goals to take a 49 point lead into the half time break.

The third quarter saw one of the highlights of the season when some a great team play and ball movement saw Max Dooley get on the end of a handball and run into an open goal to kick his first goal for his career.. A memorable moment and great to see all the players get around Max to celebrate..

the last quarter was much the same with boys going on to secure 79 point victory. The improvement from Round 1 is there to be seen.

We now sit 2nd on the ladder with three games to go and looking forward to what lies ahead...

“Our Mission”

Short Mission Statement:

The mission of our club is to provide a positive and enjoyable environment for our children to develop their physical and social skills through their participation in Australian Rules football within our local Hills community.

Long Mission Statement:

The mission of our club is to provide a positive and enjoyable environment for our children to develop physical and social skills through their participation in Australian Rules football within our local Hills community. We will achieve this through our commitment to the following the below core club philosophies:

Player Development: We strive to inspire and develop our players' football skills, confidence, self-discipline, fitness, initiative and sense of teamwork to their highest potential as well as promoting positive personal values and a healthy lifestyle.

Sportsmanship: Our program is designed to instil good sportsmanship in every facet of the game, both on and off the field. We value endeavour, persistence and playing in the true spirit of the game rather than a win-at-all-costs-attitude.

Respect: Our values are based on a foundation of respect for our club, our members, our opponents and officials.

Positive Coaching: We are committed to providing our players with the best possible coaching and will seek to deliver this by actively supporting the accreditation and ongoing development of our coaches.

Active Participation: We encourage and will facilitate the positive involvement and equality of opportunity for all members of our club including players, supporters and volunteers.

Sense of Community: The Hills support a community with a long-standing tradition of healthy competition, participation, and service. We expect our members to take pride in the club and the club to take pride in its role in the community. We seek in return for the community to take pride in our club.

The accomplishment of our objectives will be promoted through the establishment and provision of:

- Quality administrative systems and procedures to support our volunteers;
- A strong financial position;
- A viable membership base;
- Strong links to regional, state, and national football resources and infrastructure.

“Our Policies”

OLINDA FERNY CREEK JUNIOR FOOTBALL CLUB POLICIES:

- OFCJFC players, parents, coaches, spectators, officials & administrators are to abide by the Codes of Conduct detailed in the By-Laws of the Outer Eastern Football League.
- The club and OEFL have a non-smoking policy. Smoking is not permitted inside the perimeter of the playing arena or inside the clubrooms or the undercover area outside the canteen.
- All membership dues must be paid in full before a player takes the field. This includes training.
- Players giving away 30 or 50 metre penalties shall be substituted immediately by the coaching staff (at their discretion).
- Umpires are not to be questioned or approached on game day.
- Mouthguards are compulsory during games. They are highly recommended for training sessions.
- The OFCJFC has in place an approved Covid Safety Plan that is available upon request.
- The club encourages development of players, coaches and officials. All coaches are asked to enrol in a Level 1 AFL accreditation course, which will be paid for by the club. Similarly, trainers are encouraged to enrol in sports trainer's courses, which the club will pay for.
- The club requires the following positions filled each year to operate: President, Vice President, Secretary, Treasurer, Canteen Manager, Sponsorship Manager, Website Co-ordinator, Registration Secretary, Risk Management Officer, Footy Record Co-ordinator, Public Officer, League Delegate, Social Secretary, Property Steward, General Committee.

NO ALCOHOL

TO BE CONSUMED AT JUNIOR FOOTBALL DURING GAME TIME

2017 Tobacco Reforms - Smoking is off the menu!

From 1 August 2017, changes to the *Tobacco Act 1987* will mean that smoking is banned at all Victorian commercial outdoor dining areas when food is available for consumption.

The smoking ban includes:

- premises such as restaurants, cafés, take-away shops and licensed premises, including courtyard dining areas and footpath dining;
- food fairs; and
- within 10-metres of a food stall or vendor at other organised outdoor events, including community or street festivals.

Smoking will also be banned in an outdoor drinking area if any part of that area is within 4-metres of an outdoor dining area, unless separated by a wall of at least 2.1-metres high.

The State Department of Health and Human Services have developed a number of guidelines and fact sheets that explain the new laws and how to comply :
