

**Welcome to  
Olinda Ferny Creek Junior Football Club**

**ROUND 15  
July 31st 2022**

We are a Good Sports club

## OFCJFC Theme Song

*We are the red and white  
We are the good old red and white  
We're the team that comes from all around  
We'll beat them on our own or any ground  
Some (hey) come (hey) to cheer us  
While others come to jeer us  
They will never get near us  
Cause we are the team they hate playing  
We are the good old red and white.*

OFCJFC

Find us on

Olinda Ferny Creek Junior Football Club is proud to acknowledge the Wurundjeri people as the traditional custodians of these lands and we pay our respects to the Elders past and present and emerging.

# Message From the Committee Round 15, 2022

**Welcome to the Olinda Recreation Reserve for Round 15, the final round of the 2022 home and away season:**

This round is dedicated to **YOU**, all the players, parents, grandparents, uncles, aunties, sister, brothers and loved ones. You are the backbone of the club, the community that gets around this club, rain, hail, snow and sometimes shine, it's what makes the Bloods what the Bloods are, BLOODY AWESOME... Thanks for the highlights of the season, thanks to the kids taking one on the chin in the toughest of games, to the volunteers on the ground helping shape the game, to the volunteers in the canteen and on the BBQ, keeping us fed because the rush out the door to the footy was more important than breaky, and finally, the supporters around the boundary, cheering on, got to love it!!!! It's not always your kids out there, but it's most certainly your family, because together, we are The Mighty Bloods...

## Weekend Fixture Round 15

### **Sunday 31st of July 2022:**

Home - Under 10 Olinda Ferny Creek vs. Healesville @ 9:00am  
Home - Under 11 Olinda Ferny Creek vs. Woori Yallock @ 10:50am  
Home - Under 12 Girls Olinda Ferny Creek vs. Mt Evelyn @ 9:50am  
Home - Under 13 Olinda Ferny Creek vs. Mt Evelyn @ 11:45am  
Home - Under 15 Boys Olinda Ferny Creek vs. Wandin @ 12:45pm  
Home - Under 16 Girls Olinda Ferny Creek vs. Mt Evelyn @ 2:05pm  
Home - Under 17 Boys Olinda Ferny Creek vs. Upwey/Tecoma @ 3:25pm

**A reminder that Spectators are only permitted onto the ground at half time breaks.**

Spectators are no permitted onto the ground at quarter time and three-quarter time. This rule has been implemented to ensure games run on time given the tight scheduling.

## A Massive Shout Out To Our Sponsors

Thank you to all of our generous sponsors in 2022... Without the amazing support of our sponsors at the OFCJFC we couldn't do what we do, we couldn't do what we love and we couldn't give back to the community we love. Please recognise our sponsors and support our sponsors like they do us.

We hope you have a brilliant day at the footy and best of luck to all of the players and teams!!!

# President's Report Round 15

Well folks, here we are on the cusp of finals! And what a season it's been!

Firstly: those U12 legends have done it! They've won their first game of the season and what a time to win it! Many of you will remember Mike Leonard from his Mt D Primary days and this week we have the chance to knock his charges from Mt Evelyn off their perch, too. Good luck this week girls - you got this!

This week we have a full house with every team playing at home and with a family night to top it off! What a way to finish the Home and Away season, but it will be a great way to send us off into finals!

So we go into finals with EVERY TEAM QUALIFYING!! How good is that?!? And last week we showed that we can compete with top teams in our divisions which is amazing with nearly all teams coming home with a win!

The U11s are an amazing group of young footballers that get better every week. Last week they controlled their game against Monbulk from the outset, which was an amazing effort given last time they played, the match was decided by the last kick of the day! This week, we take on Woori and I'm sure the team will be looking to bring home the bacon for a strong finish to the Home and Away season.

The U13 Boys continue to build their impressive season and get to test themselves this against against a strong Mt Ev outfit in a good test run for finals - go get 'em boys!

The U15 Boys showed they will take their opposition on under any conditions, with a win under lights out at Woori on Friday night. Scotty has got the boys humming along nicely and we look to see them do some damage during finals. First, though, the boys need to take care of Wandin this week to maintain their momentum!

The U16 Girls were unlucky to be over-run in the dying minutes of their game last week, but they'll bounce back with grit and determination. With a full squad back this week they should be able to give MT Ev a run for their money!

And the U17 Boys got back to their winning ways with a gutsy win over a physical Healesville side, playing good team oriented footy. Woori, the team no one has got close to all year could only manage draw last week against Gembrook. All of a sudden, Woori aren't invincible! How much does this open up the division??? First, though, they have to deal with Upwey and both teams have to deal with Volleyball! Upwey have had a good patch and we haven't played them yet, so it will be an interesting match, for sure.

Exciting times! We've got four of our teams playing here on the first week of finals with the remainder down at Mt Ev. Make sure you get around as many teams as possible for some exciting finals footy! Can we bring home some silverware to go with the mighty U10s???

# President's Report Round 15

Well folks, here we are on the cusp of finals! And what a season it's been!

It's been a great season and all teams have played with both enthusiasm and fairness. We fought to win but looked after our mates! There's been some amazing results, but also some really good moments. The U12s last week were incredible. They're gonna have to learn the song, but we're so proud of them for notching their first win in over two seasons! And some of the individual moments also, Max Dooley's goal for example, show us that footy is more than just winning and losing, but it shows us how to support and enrich our community. And to be honest, apart from some pretty bleak weather from June and July, there hasn't really been many lows this season. A couple of losses that didn't go our way, a few injuries, and so on, but these are all parts of what shape a football season.

So well done Olinda-Ferny Creek people, you are an amazing bunch of people for building such a strong and vibrant club. Good luck this weekend and good luck for finals!

Don't forget too - the Hawks jumper raffle is being drawn at Family Night. I have to admit, this has been a little disappointing with only about a quarter of the tickets sold, so far. The upside is that if you have a ticket, your chances of winning are far better than expected.

So grab a ticket - even if you're not a Hawks supporter - you might win a an awesome Xmas present for your favourite hawks supporter! Remember, all proceeds from this raffle go to the new ovens being installed in the club kitchen. This is a really important update as the old ones were dangerous and unreliable. Our Family Nights and match day canteen rely on the ovens in the club, so it is important that we contribute to the upgrade - the cost of the raffle tickets is nothing compared to the cost of Family Nights if we had to use external catering! Scan the bar code here in the record to enter.

Go Bloods!!

—

Kind regards,  
Simon Gilson  
President, OFCJFC  
ph 0407 653 590

# Hawkes Jumper Raffle

We have a 2022 jumper signed by their full list!!!! This jumper needs to go, it's just not a good look for the club to have it hanging around...

Tickets are \$10 a pop and all proceeds will go toward a new oven for the club kitchen, boring I know but much needed.

There are only 275 tickets available, so get in quick to secure a chance to get your hands on this wretched piece of football memorabilia.

To purchase this part of AFL and Hawkes history, please use the QR code below.

# I HEAR YOU ASK;

## Where do you get fixtures, Results, Milestones and Ladders for season 2022????

### The Answer is Here:

<https://www.playhq.com/afl/org/olinda-ferny-creek-junior-football-club/ce3a15cf>

PlayHQ is on a mission to reinvent community sport technology, replacing decades of unreliable legacy systems and spreadsheets with a seamless, mobile-first digital experience that connects communities across sporting codes.

Capable of handling thousands of games and millions of players at a time, PlayHQ leverages powerful integrations, intuitive design and rich data to create an all-in-one software solution that streamlines every aspect of community sport administration.

Community sport makes the world a better place – and we want to make community sport even better, inspiring and uniting people from all cultures through egalitarian digital innovation.

Sustainability is fundamental to PlayHQ's brand and business. With a companywide focus on energy efficiency, waste reduction and recycling, we're committed to lifting up sports communities while preserving the planet they play on.

**Team Manager – Hayden Friend**

**Round 14**

**24/7/2022**

**Opposition - Wandin**

Finally the Mighty 10's returned home after what has been a massive past month. Away games, tournaments and school holidays had meant that playing at home felt like a real novelty, with some parents even requesting melways coordinate's it had been so long.

It was great to get back in the home rooms and see the home colours once again. The rope swing was in full use and it wasn't long before I wished we were playing away again. The pre game rev up always comes across loud and clear ,especially when you have someone Tarzaning across the room.

Seth Gordon led us out onto a sunny field and the warm up had everyone craving a fun filled game. We started strong and held the ball quarter long in our forward line. The pressure was amazing from our midfielders and meant we were able to slam home 4 first quarter goals.

All year we have had our U9 young bloods cut their teeth in the 10's. They always put in an amazing effort and bring some incredible skill to our squad.

As coaches we always encourage our players to be brave and take the game on.... Today they really took this to heart, so much so that Wandin barely got near the ball.

With the scoreboard not showing scores, it was up to our wonderful mathematical genius's to tell me that we had made it too 94 points by games end.

This season has seen our team play wonderful team football, with every player making an impact on game day!

It takes a lot of courage to play football, let alone put yourself in the winter rain each week as you get splattered with mud.

So to the players... I am in awe of your determination and persistent love for playing football. You make our job as coaches so rewarding and we learn a lot from you.

Today's game was awesome to watch and we are all so proud of your achievements this year!!

As we love to say...

Who are we? ..... YOUNG BLOODS!!!!!!!!!!!!!!!!!!!!!!

## **Round 14**

**24/7/2022**

### **Opposition - Monbulk**

After suffering a loss last week, the boys showed up in the best numbers at training during the week, keen to make amends. Wednesday night's session allowed us to get a coaching mat out and have the boys in three teams, discussing how they wanted to play the game and set themselves up. Monbulk had pushed us last time, where we had won by a single goal in the dying seconds. Another close one would not have been good for the hearts of the Bloods supporters.

We started well and the forward pressure by Levi, Syd and Saxon helped us turn the ball over and kick a couple of early goals. This pressure became the standard and when our on ballers in Jack and Ollie were running as hard to defend as they were to attack, the Monbulk players felt they had less time whenever they did get the ball. A handy five goal lead at half time was comfortable but the boys reminded each other that we had been in this position before and had let other teams back into the game.

In the second half, Taj went into the ruck and was giving us first use of the ball. Connor L was clearing his area through long kicks and Connor Mac was chasing hard, forcing a turnover in our back half. It was great to see Ethan C get amongst it, having missed several games through illness. Gus, on the wing, started to rack up lots of possessions in the last quarter and Josh made sure that the ball didn't come out of the forward line easily.

Today, the boys were really focussed on performing well, making sure they put pressure on their opponents whenever they had it and clearing the ball long when we got possession. We also had the luxury of having a few on the interchange bench for the first time this year. One home and away game to go, then finals await and probably against the same team we played today.

I'd like to take this last written opportunity to thank Craig for his hard work as our team manager, Brent for his running of messages and warming the boys up before the game, Emma for doing the training for us and Jarrod for coaching with me. I've had a lot of fun and enjoyed the camaraderie of the players and coaching team. Thank you all so much.

**Award Winners: Gus, Josh, Taj, Ethan C and Levi.**

**Final Scores: Olinda 9.8. 62 defeated Monbulk 1 .0 . 6**

**Goal kickers: Jack 3, Ollie 2, Levi 2, Syd 1, Gus 1**

**Team Manager – Jenni Rayner**

**Round 13**

**15/7/2022**

**Opposition - Wesburn**

WELL, another trip to Wesburn for the team! I cannot count how many times we have been here but needless to say, we don't need the satnav. The weather did well to stay away with only a couple of sideways rain showers during the game.

An exciting prospect for the team was 3 new players! Maya, Mae and Mataya, just to cause verbal issues for fog horn coach cheering from the sidelines. What an impressive threesome all blessed with height and basketball skills which are always welcome on the footy field. It was exciting to have them in our team with all 3 charging at the ball and giving footy a red hot go. They promise they will be back next week!

Even though we didn't score, we held Wesburn to half the points that they kicked on us last game, with only 1 goal 3 in the final quarter.

The girls applied great pressure with our back line working hard. Jaz, Stella, Bea, Aaliyah and Mataya and Frankie all competed hard with Bea and Frankie stopping goals.

The ruck and mids team Lucy, Reagan and Lili worked well in the center especially in working together when they get tired and the communication involved in the cooperation. Lili again kept the pressure on snatching the ball out of the pack, and Reagan and Lucy continuing to take marks and make play.

Tahila, Stella Aaliyah and Jess also up in the wings working with the team to keep the ball out of the back line. The forward line, although a bit quit, saw Vee, Maeve, Mataya, Mae and Lara play a little different than usual, by pushing right up to the center, a tactic they weren't really used to but got the knack of pretty quickly.

With 2 games to go, we are all so proud of the girls and the efforts they have gone to work on their skills and game style during the season. The coach is right onto them about having a kick at school, and ensuring the oval is a shared space and a safe place for all to enjoy whatever it is kicks enjoy at school.

## **Round 14**

**23/7/2022**

### **Opposition - Upwey**

With the sun shining and a bit of mud on the ground, it was shaping up to be a perfect footy day, and with a winning result, it was the best footy day ever.

The girls were pumped and our new team members came back for another game with Mae given the position of ruck. With her basketball background, and Lucy as her ruck rover, they dominated the centre bounces/toss up and worked effectively as a team with their mids Lili, Reagan and Franky.

The first quarter saw passages play that the team have been working on, using the width of the ground, handballing out of the packs and kicking long where possible. This quarter saw our first goal scored with brilliant team work by Willow and Maeve in the forward line resulting in Maeve kicking a goal. It was exciting to get the first goal and to be on the board. Jess's running game was on point today, getting first to the contest on more than one occasion, making a big impact in the first quarter.

The second quarter saw us continue to remain in front as our backline; Jasmine, Stella, Lara, Maya and Bea shut down the opposition and continue to prevent the scoring. Bea continued to show her development as full back, kicking out and stopping goals. Aaliyah showed her enjoyment playing on the wing with some amazing tackles busting out of packs. Third quarter saw Upwey get the goal that got them in front. But the team didn't panic. Great teamwork between Franky and Tahlia was on display as they continued to run and run, no complaints just hard at the ball.

The final quarter is a story for the ages. The quarter was spent with a tussle between our forward and their forward lines. They were up by four points in the last 5 minutes. Our team played with gusto. Mataya continued to shut down their forward making a once dominant goal kicker very quiet. Our mids continued to punch the ball back to our forward line with Lili dropping out of the back to prevent the ball from entering their forward half. Claire in the forward line was integral to keeping the ball in our forward half along with Willow and Maeve. It was in the final 8 seconds the ball made its way down to our goal square, and from where the coaching team stood we just saw this footy emerge from a congested pack and sail through the goals, followed by the blaring siren. The cheers could have been heard from the Olinda home ground, and the look on the girls faces was priceless, and the tears from the parents, also priceless. The final score 12-10 said it all, proof we have worked hard all season, have never once given up and we have backed our girls all the way to a grand victory.

## Round 14

24/7/2022

### Opposition - Belgrave

The Young Bloods were treated to fantastic conditions as the sun was shining and the birds were chirping. Belgrave were ready to play and fired up to give us a red hot run for our money. Ollie M had the ruck duties as Flynn R was nursing a swollen hand, Will B and Rio N got to work early as the footy was hotly contested.

Throughout the first half, Belgrave were winning their share of the footy and getting the ball into their forward line. However Young Blood Braydon S, Fletcher B and Ned M were on top of their respective players and were propelling the ball back our way. For the amount of ball Belgrave had, at half time we had kept them scoreless which was a massive credit to all the backline players.

The message from the coaches at half time was to get the ball to the outside and to try and get the game more free flowing with less congestion. The boys responded with 4 goals as Ollie H, Louie B, Jake B and James T all scored majors.

At ¾ time it was time to go all out in the last quarter and so Harry W was sent to Full Forward. This turned out to be the match defining move as Harry W delivered 2 goals in the final quarter to ensure the Bloods got home in a match where we celebrated the 50 game milestones of Al D, Jake B and Ben G on our home turf.

Olinda 10.10.70

**Round 14**

**22/7/2022**

**Opposition - Woori Yallock**

“Friday Night Football” had come to the outer east U15s in what was anticipated to be a tight contest between two rivals, and what a game prevailed.

In a tough first quarter, Woori Yallock came out with all guns blazing to pull away to a 2 goal quarter time lead. To Olinda’s credit, the boys tightened up a few skill errors to break even in the second quarter with Woori holding onto a 2 goal half time lead.

They say the 3 rd quarter is the premiership quarter and what a quarter of footy the Olinda boys played. Their ferocity at the contest and run and carry, saw them dominate the quarter kicking 5 goals to 1, turning a 2 goal deficit into a 2 goal lead.

Things really tightened up in the last quarter with the boys holding on for an 11 point win.

It was a fabulous game of footy from both teams and a very high standard. The boys certainly have set a new benchmark for themselves. Well done boys.

Cheers

Scott

**Team Manager - Mal Ryan**

## **Round 13**

**17/7/2022**

**Opposition - Belgrave**

With the thunder and lightening posing a real threat, it was a different and unusual build up to this important clash with Belgrave. The winner of this clash was set to secure 2nd position on the ladder...

From the first bounce it was clear that it was going to be a tough day at the office.. The smaller ground and the wet conditions were suiting the bigger bodies of Belgrave who were winning the contested footy and beating us in general play.

The contested footy was better in the second quarter however our skill execution was not where it needed to be and the boys went into the half time break down by 30 points.

Unlike last time we played Belgrave, we were unable to turn around our fortunes in the second half and eventually went down by 10 goals..

A disappointing effort all things considered but one that we will certainly learn from.

## **Round 14**

**24/7/2022**

**Opposition - Healesville**

In what was almost a Sunday night game (4:30 start) the boys headed out to Healesville looking for a much improved performance.

The conditions were good for footy and the lads started the game well with some impressive centre clearance work and ball movement into the forward 50 resulting in Five goals straight for the quarter and a handy three goal lead at quarter time..

The good play continued as the boys continued to win the ball out of the middle, run and receive, lower their eyes going forward and hit up their teammates. Some impressive play and individual performances resulting in an eventual 10 goal win for the lads.

I was really pleased with how the boys went about it today, particularly after last week. It is clear that our best footy is "Team First Footy" and when we run an carry, lower our eyes and use our team mates we look like (and play like) a quality team.

## “Our Mission”

### **Short Mission Statement:**

The mission of our club is to provide a positive and enjoyable environment for our children to develop their physical and social skills through their participation in Australian Rules football within our local Hills community.

### **Long Mission Statement:**

The mission of our club is to provide a positive and enjoyable environment for our children to develop physical and social skills through their participation in Australian Rules football within our local Hills community. We will achieve this through our commitment to the following the below core club philosophies:

**Player Development:** We strive to inspire and develop our players' football skills, confidence, self-discipline, fitness, initiative and sense of teamwork to their highest potential as well as promoting positive personal values and a healthy lifestyle.

**Sportsmanship:** Our program is designed to instil good sportsmanship in every facet of the game, both on and off the field. We value endeavour, persistence and playing in the true spirit of the game rather than a win-at-all-costs-attitude.

**Respect:** Our values are based on a foundation of respect for our club, our members, our opponents and officials.

**Positive Coaching:** We are committed to providing our players with the best possible coaching and will seek to deliver this by actively supporting the accreditation and ongoing development of our coaches.

**Active Participation:** We encourage and will facilitate the positive involvement and equality of opportunity for all members of our club including players, supporters and volunteers.

**Sense of Community:** The Hills support a community with a long-standing tradition of healthy competition, participation, and service. We expect our members to take pride in the club and the club to take pride in its role in the community. We seek in return for the community to take pride in our club.

**The accomplishment of our objectives will be promoted through the establishment and provision of:**

- Quality administrative systems and procedures to support our volunteers;
- A strong financial position;
- A viable membership base;
- Strong links to regional, state, and national football resources and infrastructure.

## **“Our Policies”**

### **OLINDA FERNY CREEK JUNIOR FOOTBALL CLUB POLICIES:**

- OFCJFC players, parents, coaches, spectators, officials & administrators are to abide by the Codes of Conduct detailed in the By-Laws of the Outer Eastern Football League.
- The club and OEFL have a non-smoking policy. Smoking is not permitted inside the perimeter of the playing arena or inside the clubrooms or the undercover area outside the canteen.
- All membership dues must be paid in full before a player takes the field. This includes training.
- Players giving away 30 or 50 metre penalties shall be substituted immediately by the coaching staff (at their discretion).
- Umpires are not to be questioned or approached on game day.
- Mouthguards are compulsory during games. They are highly recommended for training sessions.
- The OFCJFC has in place an approved Covid Safety Plan that is available upon request.
- The club encourages development of players, coaches and officials. All coaches are asked to enrol in a Level 1 AFL accreditation course, which will be paid for by the club. Similarly, trainers are encouraged to enrol in sports trainer's courses, which the club will pay for.
- The club requires the following positions filled each year to operate: President, Vice President, Secretary, Treasurer, Canteen Manager, Sponsorship Manager, Website Co-ordinator, Registration Secretary, Risk Management Officer, Footy Record Co-ordinator, Public Officer, League Delegate, Social Secretary, Property Steward, General Committee.

### **NO ALCOHOL**

TO BE CONSUMED AT JUNIOR FOOTBALL DURING GAME TIME

## **2017 Tobacco Reforms - Smoking is off the menu!**

From 1 August 2017, changes to the *Tobacco Act 1987* will mean that smoking is banned at all Victorian commercial outdoor dining areas when food is available for consumption.

The smoking ban includes:

- premises such as restaurants, cafés, take-away shops and licensed premises, including courtyard dining areas and footpath dining;
- food fairs; and
- within 10-metres of a food stall or vendor at other organised outdoor events, including community or street festivals.

Smoking will also be banned in an outdoor drinking area if any part of that area is within 4-metres of an outdoor dining area, unless separated by a wall of at least 2.1-metres high.

The State Department of Health and Human Services have developed a number of guidelines and fact sheets that explain the new laws and how to comply :
