

**Welcome to
Olinda Ferny Creek Junior Football Club**

**ROUND 4/5
May 6th 2022**

We are a Good Sports club

Message from the Committee - Round 5, 2022

Firstly, welcome to the Olinda Recreation Reserve for round five of the 2022 football season. We would like to dedicate this round to all the mothers and special women in our lives, without their unwavering dedication to our football club, our club would be in the fantastic position it is in. Thanks mums and special others, you rock!!!

It's great to be hosting our Outer Eastern companions this weekend, we hope you all enjoy your visit to the hills. While here, please support our amazing sponsors and local businesses that have been doing it tough for so long, let's get behind them like we do our teams. Whether it be a last minute mother's day gift, something special, just because, why not? She deserves it...

OFCJFC Theme Song

*We are the red and white
We are the good old red and white
We're the team that comes from all around
We'll beat them on our own or any ground
Some (hey) come (hey) to cheer us
While others come to jeer us
They will never get near us
Cause we are the team they hate playing
We are the good old red and white.*

Round 4

22/4/2022

Opposition - Monbulk

With a large downpour on the weather radar heading our way, it was eyes on the skies for spectators, and eyes on the footy for our young bloods.

The first game started off with Olinda showing they were a cut above the competition. Wil, Oscar and Seth put on a vintage display in the middle, giving our forwards plenty of early touches, and bags of goals being kicked.

The trend continued throughout the next three quarters, with Fletcher and Asher both kicking plenty of goals and racking up big numbers when in the midfield. Harley was getting plenty of footy and feeding to teammates. Ayden was taking the game on in the forward line, sneaking in some nice goals.

By the end of the game, even though there is no scoreboard, the team's mathematicians had informed me it was a blowout.

Round 4

22/4/2022

Opposition - Gembrook/Cockatoo

With the heavens starting to open up, it was time for our first taste of wet weather footy for the season. This game would prove to be our biggest test yet.

The game started off as a tough wet weather game, with some big tackles and hard contests by both teams. When it got tough, the play by our young bloods was truly impressive. Some of our younger, smaller players like Patrick, Harry and Cody didn't back down for a second, taking on taller, bigger opponents, laying tackles and getting the ball to teammates. It was very pleasing to watch and showed character beyond their years.

Our team persisted throughout the game, earning plenty of scoring opportunities. A little inaccuracy at times with the wet footy, the only thing keeping the Gembrook faithful's dreams alive. Monty showed courage around the ground all game, winning plenty of hard balls and taking the game on. Our defence was rock solid, only allowing a couple of goals for the game against a quality opponent. Meanwhile our forwards took their opportunities toward the end of the game, finishing off in the last quarter with 4 hard earned goals to seal the game.

The wet conditions certainly didn't dampen the smiles of our young bloods who all had a great night.

Round 3

24/4/2022

Opposition - Mt Evelyn

Round 3 promised all the hallmarks of a classic encounter.

The combination of a long weekend and sickness brought the opportunity for some of our budding under 9's to taste the big time!

The pre game involved jumper presentations, plenty of welcomes and bucket loads of nerves.

Both teams started well, with Mt Evelyn gaining the upper hand late in the first quarter.

They didn't have it all their own way as Olinda piled on the pressure all over the ground!

The second half saw Wil Francis kick our first goal... a classy snap out of a pack!

Our captain for the day Syd Higgins also provided multiple repeat efforts and some inspiring chase downs.

Other solid contributions came from Sol Smith, Phoebe Brown and Rupert Walker.

In what turned out to be a very competitive game, hats off must go to our 5 debut players.

They were fantastic all day, playing 100% game time!!

Their tackling, speed and bravery was awesome to watch.

Congratulations..... Pat, Fletcher, Harry, Asher and Finlay!!!

Another great performance U'10s!!

You are all playing fantastic football

Go Bloods!

Round 3

24/4/2022

Opposition - Mt Evelyn

The day before ANZAC day and with just 13 players available, we came up against one of the stronger teams in the competition. Thank you to Lily, who had played in the Under 12s and made herself available to play in our side. We were confronted with an unusual situation- no umpire turned up so a massive thank you Brent who stepped in to umpire and to Ned who took on the role of the runner. Mount Evelyn had lots of players and were good enough to loan us some to make up the 18 a side for the game.

To say that the game was an arm wrestle would be an understatement. Mount Evelyn attacked relentlessly for most of the first quarter, managing just behinds, and it wasn't until Jack kicked a goal late in the quarter, that we hit the front. Desperation, chasing down opponents and tackling were a feature of the first half with Jack, Ollie and Josh doing well in the middle of the ground. Freedom to run, carry and bounce the ball were skills that were going to be hard to do in this contest.

Against bigger opposition, Ethan had a real go in the ruck and Archie, whether it be in defence or on the ball gained plenty of it. Connor Mac moved up to the wing and was involved in a few chains of play where quick handballs were needed. When Taj went to defence, he came out and met the ball and marked it a few times to clear the area.

Going into the last quarter, Mount Evelyn were in front by a couple of points and had the ball locked into their forward line. An unlucky goal against us, gave them some breathing space and we ended up being beaten by a good side.

Round 4

1/5/2022

Opposition - Emerald

A full list, with one on the interchange as well! Our very first time to be able to do this and thank you to Rupert and Jackson from the Under 10s for filling in and contributing so well.

A very early start and we were the first game of the day. With a focus on ball up structures in the middle and around the ground, we started well with Ethan P rucking well and Ollie and Jack working at the bottom of the packs. Throughout the first half, we had many forward thrusts, kicking a few goals but with a forward line so packed with players, scoring was challenging. Jack was everywhere again, providing many attacks into our forward line and snagging a couple of goals, Ollie worked his way into the game and Archie was picking up touches at will. On the wing, Gus was at the bottom of packs getting the ball and sending it our way where Rupert was lurking and providing us with a target.

Our focus in the second half was to open up the forward line and this helped our scoring. I'm not sure who was more excited with Oliver A's goal, him or his dad (who was goal umpiring). The goals seemed to come more easily in the second half and having a couple of new goal scorers was definitely the highlight. Saxon went into the ruck and was winning his fair share of tap outs. Another highlight in the last quarter was when Ricky left his man in the backline to come and meet the ball and provided a really good contest, making sure the ball didn't go past him. Well done to Rupert on his goal in the last quarter. All in all, a very good team effort.

Round 4

1/5/2022

Opposition - Mt Evelyn

The Young Bloods had been re-graded to the second division of the competition and found ourselves back at Mt Ev where we had been 2 games earlier but this time were against their bottom age team. Given our team has about 1/3 being top age players, we were confident going into the game.

The first quarter was dominated by the boys as Kadin (Special K) Johnston banged through an impressive goal in his new position as full forward. However Mt Ev fought back in the second quarter where we were caught out on the transition and so we went to the long break with a 7 point deficit.

The remainder of the game was a very even contest as midfielders Blenkiron, Garratt and Bellemo went to work and we had our best passage of play for the year that resulted in another Special K goal. Rory Ferguson, Archie Condon, Harry Williams and Ko (KO) Mei-huizen were all attacking the ball hard and giving us every chance. A highlight of the game was Vice Captain Rio Neish running 80 meters to lay a last-gasp tackle that saved a certain goal.

The Young Bloods gave it everything but couldn't quite cut the half time margin back. We will no doubt play this team many times again throughout the season and the Young Bloods look forward to a re-match.

Round 3

24/4/2022

Opposition - Gembrook/Cockatoo

Round 3 saw us playing at home and celebrating a milestone game for one of our Captains, Jarvis Reid. I think the event of a milestone game spurred the boys on and in the first quarter we played our best footy for the season so far.

The game tightened up in the second and third quarters where we went away from our style of play. After a conversation with the boys at three quarter time, they went back to playing our brand of footy and had a convincing win.

Congratulations Jarvis on 50 games and embracing the leadership role this year. I would also like to welcome Jethro Harrison to the Club who played a great first game.

Great job boys.

Cheers

Scott

Round 4

1/5/2022

Opposition - Upway/Tecoma Yellow

Round 4 saw us travel down to sunny Talaskia Reserve where we welcomed two new players to the team, Charlie Hooper and Etienne Griersmith-Rowe. Both boys made an instant impact on our team.

I'm so proud of the boys for the team first game style they are playing and it is a pleasure watching from the best seat in the house, the coach's box. It is the first game the boys have put four quarters of footy together and it showed in the final result, coming away with a convincing win.

Well done boys and keep enjoying the journey.

Cheers

24/5/2022

Opposition - Belgrave

The U16 girls were once again faced with a challenge this Sunday against Belgrave. With a few players out, the girls were a little short on numbers. We were fortunate to have a Belgrave player help us out each quarter.

It was a great start to the first quarter, Nikayla Seamer kicked the first goal of the match in her first game for the season. We are very excited to have her back playing.

Unfortunately Belgrave showed their strength in the second quarter, creating a 7 goal lead for our girls to chase down. Despite this, the girls showed excellent resilience and pressure and were rewarded by a goal from Maddie Green in the third quarter.

Although Belgrave ran away with it in the final quarter, we commend the girls on how hard they fought. We saw some great ruck work from Jacquie Ring, as well as Elsa Leonard and Kaesha Christie who both dominated in the midfield.

Overall, we were very impressed with how the girls played. The match has given us a lot to learn from and we look forward to incorporating this into our training over the next few weeks.

Thanks again to our volunteers and parents who came to support us.

Round 3

24/4/2022

Opposition - Woori Yallock

The Under 17 boys were set for a big game against Woori who would appear at this stage of the season, the team bet!

Signs were promising early as the Bloods one the first clearance of the day and surged forward but unfortunately weren't able to capitalise.... Unfortunately Woori responded and kick next few goals and they were off...

Whilst the end result on the scoreboard was not what we were hoping for, there were a number of positives that we can take from the game.. The boys matched it with Woori for much of the 2nd and 3rd quarters and late in the third quarter the scoreboard showed a similar number of scoring shots.

The big takeaway from game was the need work on our "one touch" and "clean" ball handling which we will continue to do in coming weeks..

unfortunately we lost two soldiers during the game, Blair Wilson and Matthias who both suffered Broken collarbones.. We wish both lads all the best with their recovery.

cheers

Paddy

Round 4

1/5/2022

Opposition - Belgrave Black

A really pleasing outcome today for our Under 17 Boys who managed to secure the 4 points against Belgrave, a team that has shown some early season form judging by results. As we have done in previous games, the boys got off to a fairly sluggish start with Belgrave taking a 14 point lead into quarter time... As a group, we may need to look our pre-match routines to see if any tweaks are required.

The boys stabilised and got back into the game during the second quarter, however couldn't quite get the results on the scoreboard kicking 1.6 for the quarter, going into the half time break 15 points down...

Some really pleasing signs in the 2nd half as the boys played some of their best "team football for the season.. lots of run and carry, run and receive and a good use of space and our wingers.. The boys pegged back the lead to three points at 3/4 time and with another really strong last quarter, the boys came home with an 18 point victory.

a really encouraging performance by the team... well done lads..

“Our Mission”

Short Mission Statement:

The mission of our club is to provide a positive and enjoyable environment for our children to develop their physical and social skills through their participation in Australian Rules football within our local Hills community.

Long Mission Statement:

The mission of our club is to provide a positive and enjoyable environment for our children to develop physical and social skills through their participation in Australian Rules football within our local Hills community. We will achieve this through our commitment to the following the below core club philosophies:

Player Development: We strive to inspire and develop our players' football skills, confidence, self-discipline, fitness, initiative and sense of teamwork to their highest potential as well as promoting positive personal values and a healthy lifestyle.

Sportsmanship: Our program is designed to instil good sportsmanship in every facet of the game, both on and off the field. We value endeavour, persistence and playing in the true spirit of the game rather than a win-at-all-costs-attitude.

Respect: Our values are based on a foundation of respect for our club, our members, our opponents and officials.

Positive Coaching: We are committed to providing our players with the best possible coaching and will seek to deliver this by actively supporting the accreditation and ongoing development of our coaches.

Active Participation: We encourage and will facilitate the positive involvement and equality of opportunity for all members of our club including players, supporters and volunteers.

Sense of Community: The Hills support a community with a long-standing tradition of healthy competition, participation, and service. We expect our members to take pride in the club and the club to take pride in its role in the community. We seek in return for the community to take pride in our club.

The accomplishment of our objectives will be promoted through the establishment and provision of:

- Quality administrative systems and procedures to support our volunteers;
- A strong financial position;
- A viable membership base;
- Strong links to regional, state, and national football resources and infrastructure.

“Our Policies”

OLINDA FERNY CREEK JUNIOR FOOTBALL CLUB POLICIES:

- OFCJFC players, parents, coaches, spectators, officials & administrators are to abide by the Codes of Conduct detailed in the By-Laws of the Outer Eastern Football League.
- The club and OEFL have a non-smoking policy. Smoking is not permitted inside the perimeter of the playing arena or inside the clubrooms or the undercover area outside the canteen.
- All membership dues must be paid in full before a player takes the field. This includes training.
- Players giving away 30 or 50 metre penalties shall be substituted immediately by the coaching staff (at their discretion).
- Umpires are not to be questioned or approached on game day.
- Mouthguards are compulsory during games. They are highly recommended for training sessions.
- The OFCJFC has in place an approved Covid Safety Plan that is available upon request.
- The club encourages development of players, coaches and officials. All coaches are asked to enrol in a Level 1 AFL accreditation course, which will be paid for by the club. Similarly, trainers are encouraged to enrol in sports trainer's courses, which the club will pay for.

2017 Tobacco Reforms - Smoking is off the menu!

From 1 August 2017, changes to the *Tobacco Act 1987* will mean that smoking is banned at all Victorian commercial outdoor dining areas when food is available for consumption.

The smoking ban includes:

- premises such as restaurants, cafés, take-away shops and licensed premises, including courtyard dining areas and footpath dining;
- food fairs; and
- within 10-metres of a food stall or vendor at other organised outdoor events, including community or street festivals.

Smoking will also be banned in an outdoor drinking area if any part of that area is within 4-metres of an outdoor dining area, unless separated by a wall of at least 2.1-metres high.

The State Department of Health and Human Services have developed a number of guidelines and fact sheets that explain the new laws and how to comply :
