

**Welcome to
Olinda Ferny Creek Junior Football Club**

**ROUND 7
May 20th 2022**

We are a Good Sports club

Message from the Committee - Round 7, 2022

Welcome to the Olinda Recreation Reserve for round seven of the 2022 football season. This round is dedicated to the Wurundjeri people of the Kulin Nation. We are privileged to be able to play this great game here, upon this great land.

We pay our respects to the Elders past and present and emerging.

Weekend Fixture - Round 7

Friday 20th of May 2022:

Away - Under 9 Red Olinda Ferny Creek vs. Mt Evelyn @ 05:30pm

Away - Under 9 Red Olinda Ferny Creek **go head to head with the** Under 9 White Olinda Ferny Creek @ 05:30pm

Sunday 22th of May 2022:

Away - Under 10 Olinda Ferny Creek vs. Wandin @ 11:15am

Home - Under 11 Olinda Ferny Creek vs. Seville @ 11:00am

Home - Under 12 Girls Olinda Ferny Creek vs. Mt Evelyn @ 10:00am

Home - Under 13 Red Olinda Ferny Creek vs. Mt Evelyn White @ 11:55am

Home - Under 15 Boys Olinda Ferny Creek vs. Emerald black @ 2:55pm

Home - Under 16 Girls Olinda Ferny Creek vs. Mt Evelyn @ 12:55pm

Away - Under 17 Boys Olinda Ferny Creek vs. Wandin/Yarra Glen @ 3:45pm

A reminder that Spectators are only permitted onto the ground at half time breaks.

Spectators are no permitted onto the ground at quarter time and three-quarter time. This rule has been implemented to ensure games run on time given the tight scheduling.

Thankyou to our Sponsors

Thank you to all of our generous sponsors in 2022... It is with the support of our sponsors listed below, that the OFCJFC can continue to support our club members and the wider community. Please ensure you support these local businesses as much as they support us.

I hear you ask; Where do you get fixtures, Results and Ladders for season 2022?

Well, the answer is...

Here: <https://www.playhq.com/afl/org/olinda-ferny-creek-junior-football-club/ce3a15cf>

PlayHQ is on a mission to reinvent community sport technology, replacing decades of unreliable legacy systems and spreadsheets with a seamless, mobile-first digital experience that connects communities across sporting codes.

Capable of handling thousands of games and millions of players at a time, PlayHQ leverages powerful integrations, intuitive design and rich data to create an all-in-one software solution that streamlines every aspect of community sport administration.

Community sport makes the world a better place – and we want to make community sport even better, inspiring and uniting people from all cultures through egalitarian digital innovation.

Sustainability is fundamental to PlayHQ's brand and business. With a companywide focus on energy efficiency, waste reduction and recycling, we're committed to lifting up sports communities while preserving the planet they play on.

OFCJFC Theme Song

*We are the red and white
We are the good old red and white
We're the team that comes from all around
We'll beat them on our own or any ground
Some (hey) come (hey) to cheer us
While others come to jeer us
They will never get near us
Cause we are the team they hate playing
We are the good old red and white.*

OFCJFC

Round 5

08/5/2022

Opposition - Mt Evelyn

Fresh of the bye, the U/10's Young Bloods were keen to get their hands dirty against their fancied opponents.

Fog greeted both teams in the warm up, at times limiting visibility down to half the ground. This was a nice pre cursor as Mt Evelyn definitely did not know what was about to hit them!!

Mother's Day gave our wonderful Mums the chance to make a special.... 'guard of mum's'. This was a special moment for all the players as they entered the field!

Thank-you mums/important females for all the wonderful ways you enrich our children's lives.

A tight opening quarter made for tense viewing, especially for the respective coaches. Dives, smothers, desperate taps were everywhere, with both teams keen to get the first score on the board.

The second quarter provided some season defining highlights. Wil Francis snagged two incredible bouncing goals for what felt like 50 meters out!!!

The teamwork from the young bloods was eye catching and provided parents and friends the best quarter of the year.

The game see-sawed for the second half, until Rupert Walker put the game beyond doubt. A clutch handball receive from no other than his brother Pat, was a special moment for them both.

Syd Higgins, Adam Piper and Finlay Belamo all played great games, in what was a fantastic day for the mighty 10's!!!

Well done players....

It's great fun watching you 'ALL' play as a team and contribute in so many different ways.

Go Bloods!!!

Round 6

15/5/2022

Opposition - Healesville

The weather gods treated us to a balmy Yarra Valley morning, with the sun out and the grass on the oval glistening.

We managed to get everyone on the park in time for the 9.00 start, although there were a few yawns seen in the pre game. (I'm blaming the early start, not the un inspiring rant I went on in the rooms!)

It was on from the opening bounce this week, with Healesville not holding back.

We welcomed William Brown back into our forward line and by the look of his smile.... He was wrapt to be back in the red/white.

We had some strong moments in the first quarter with Jack Larkin and Syd Higgins controlling the play.

Gracie Hughes was caught high (head knock) early as well, but courageously continued on... diving in and helping us clear the packs.

The first half finished off like it started... bodies diving in, tackles being laid, spoils and intercepts a plenty!!

We spoke at half time about focusing our attention on the footy and being first to the ball. Ned Holden and Oscar Leone both put this into action with lots of entertaining football memories.

In what will go down as smother of the year... Seth Gordon produced a magical moment in the centre of the ground, turning a diving defensive play into a forward entry/goal!

The last quarter was a real arm wrestle.

Our resident bulls...(Monty and Finlay) were seen breaking out of packs at every opportunity. Wil Francis continued his great season with some great kicking on the wing.

In what was a tough and dour battle, our young bloods never gave in!!

Great effort everyone! You are having a fantastic season.

Cheers,
Ben

Round 5

08/5/2022

Opposition - Wesburn

A wet and chilly morning greeted the Under 11 teams on Mother's Day for this game against another finals aspirant. Wesburn came into the game having lost only one game as well so we knew it was not going to be easy. A massive thank you to the three Under 10 players who played up, Syd, Rupert and Luka- and all played important roles in our game. From the outset, the Young Bloods were asked to play their positions and did so brilliantly. The mids were setting up the wall as the ball went into our forward line- the forwards were constantly moving and creating opportunities and the back we making sure their opponents didn't get an easy kick.

Syd was lively up forward in the first and kicked an early goal to set the tone for the day. Archie was dominating in the centre and along with Ollie, got the ball going our way on many occasions. Jack on the half forward flank was enjoying some freedom, marking strongly several times. Gus was getting plenty of it on his wing. Ethan P, whether playing in the ruck or at full back, was determined and gave everything he had for the day. It was great

to see Taj kick his first goal for Olinda and this gave him confidence in his work around the ground in the ruck during the second and third quarters. Throughout the game, we had some great passages of play, moving the ball quickly and looking for each other. Connor Mac and Ollie shared the ball between each other on a few occasions as they brought it out of the middle. Heading into the last quarter, we held a five goal lead but some quick goals to

Wesburn made the final scores seem quite close.

Award Winners: Taj- Coaches award, Gus- Encouragement award, Saxon- Kelly's Cheeseburger, Connor Mac- Pizza award, Ethan P- fish and chips.

Final Scores: Olinda 7. 1. 43 def Wesburn 5.0.30

Goal kickers: Syd 4, Jack 1, Taj 1, Ollie W 1

Under 11 Red Boys

Coach – Stuart McLean
Team Manager – Craig Robinson

Round 6

15/5/2022

Opposition - Gembrook/Cockatoo

Despite beautiful blue skies, the wind was chilly and blowing strongly towards one end when the Under 11s ventured out to Gembrook. This game was an important one as Gembrook had only lost the one game, just as we had. Four Under 10s in Syd, Sol, Billy and

Jackson joined us for the game, coming from their game at Healesville. I big thank you to those parents who drove their boys to us.

Losing the toss, we were set the task of kicking into the breeze in the first quarter. At the opening bounce, through Ollie, Jack, Connor and Ethan, we pushed the ball forward and managed to kick a goal whilst holding Gembrook to no score. Archie was dominating the half back line and with Bill at full back, we were able to clear the ball away from the danger

area. The second quarter saw us really get on top. Gus and Levi on the wing were positioning themselves well, making sure that if the ball did come out of our forward line, they were ready to send it back in.

In the third, we kicked against the breeze once again, but it provided the best play of the day. When Ollie gained possession in the back line, there were a chain of kicks and handballs to team mates out by themselves, through Gus, Syd and Jack, and finished with Connor Mac out by himself, who took two bounces and kicked the goal from the pocket. Sol

and Syd up forward were providing a handful for their opponents, Archie was working as hard back as he was forward and Taj was giving us lots of drive in the ruck. Levi continued his contested work and Jack was picking up possessions at will. The last quarter saw a number of the young bloods chiming in: Saxon went into the ruck and tapped the ball our way a few times, where our on ballers, Levi and Archie sending it our way.

Award Winners: Ollie- Coaches award, Syd- Encouragement award, Saxon- Kelly's Cheeseburger, Ricky- Pizza award, Levi- fish and chips.

Final Scores: Olinda 10. 5. 65 def Gembrook 0.1.1

Goal kickers: Ollie 4, Connor Mac 2, Jack 1, Syd 1, Sol 1

Round 4

01/5/2022

Opposition - Wesburn

With the arduous drive out to Wesburn (but picturesque ground), and the early game, the girls were a bit slow off the mark this morning but began to warm up by the second quarter.

Ve's first time in the Ruck did not disappoint with her height playing a major advantage which we will continue to develop. Reagan had an absolute brilliant game fighting to keep the ball out of their defense with a couple of brilliant marks and free kicks.

Stella continued on a promising start to her footy career. Her defensive play and fight to get in front of every play shows her competitive spirit and she will become a key defensive player.

Jess's fitness shone. Her running ability from her sporting history is starting to be a key feature of the midfield with her ability out the opposition.

In an effective passage of play initiated by Willow it is evident that she has a natural footy ability with her managing to handball out of a couple of packs.

As the score was slowly getting away on us the coach tasked Lili on a job that had never been allocated to any team member before – tag! It was a good match as the other player was also a cross country runner and Lili did her best to shut down the player even after copping a whack on the scone in the ruck.

Lulu continues to show such skill in the Ruck. Her height and timing are an asset to the team and her smile is also a key feature of our team always beaming rain, hail or shine. She even had a run in full back which she also understood.

Lara continues to find grit in her game up defensive end, she fought to get the play back to our forward 50. It was a tough game down there today

When I ask **Aaliyah** to defend, she responds and has really found herself as a part of my key defensive plan. She is player of few words, but when I give her an instruction, she nods and moves to position. In this game she displayed some physicality that shocked the opposition and is not afraid to bump and shepherd when going for the ball.

Our FF had a bit of a quiet day, but **Maeve** positioned herself strategically ready for the taking if the ball were to come down into the forward 50. Although she didn't get much action her strategic outlook in this position will become key in future games. **Evie** was also in the forward line but also came up to play in the center which she loves. She is finding that she is in those contests and often

first to the ball as she is a picket rocket and is always up for the challenge whatever I ask her to do.

Claire had a blinder of a game. Starting in the backline and then moving into center, she was hungry

for the ball and ended up being key in the midfield. **Bea** also played in the mid but continues to be an

all-rounder. She never opposes when I ask her to play any position. What an asset.

Under 12 Girls

Coach – Jaimee Denovan
Team Manager – Jenni Rayner

Round 5

08/5/2022

Opposition - Healesville

Olinda did not disappoint on mother's day with hovering fog and a threatening weather forecast. Footy weather had arrived, but the girls were not deterred with a lot of energy in the warmup. With Lucy back from holidays, she took on the ruck position winning the tap out on many occasions onto the midfielders who were doing their best to get the ball out. In the first quarter the ball remained in the defense for some time with Aaliyah in fullback defending the goals at all cost. Our new player Tahlia, was tasked in the back line for her first game and didn't disappoint getting a heap of touches and making her mark in our team. A brilliant passage of play involved Willow hand passing out of a pack in the backline to Stella who moved the ball down the wing and into our forward half. It is these moments like these that we know our training sessions are being effective. When the ball got to our forward half, Ve played in front getting a free kick, and Reagan played her absolute hardest to keep it there. Jasmine also had a great game and as our experienced player in the backline ran for everything and worked with Aaliyah in the goal square to stop Healesville scoring.

The second half saw momentum out of mid and into our forward line with Lili scoring the first goal from a free kick. This was the star of a 3 goal run on with the forwards including Evie busting to keep the ball in the forward, and Lucy bombing the ball through the goals. This really got the team pumping. Our rocket FF Maeve also got a goal with a great effort by the team to keep the ball in the forward half.

Our speedy midfielders Jess and Emma had a ripping game with their effort on the ball being felt through the team. When they are chasing that ball they never give up. Two of our key players Claire and Bea, are always so flexible for the team and have the ability to play in any position. Bea played on the wing and is working her strategic game out with her positioning in the mid beneficial to getting the ball into the forward line, and Claire starting in the backline, and then taking on Ruck Rover and successfully winning some ball ups. Both of these players never hesitate when asked to play in all positions on the field. This quality is such an asset and they never disappoint.

We didn't get the win this week, but the team work and those fundamental skills that we are working on are coming together.

Round 5

8/5/2022

Opposition - Woori Yallock

This week saw the Young Bloods undergo a trial of fielding 2 teams in the competition which had its pros of more game time for all the players but also its cons where the Young Bloods were not all playing together with their mates. We fielded a Red team in Division 2 and a White team in Division 3.

The Young Bloods went about the trial with a positive mindset and every single one of them gave it their all. We also had a milestone gamer where Ollie Millwood was playing his 50th game for the club which all the boys got around him for.

The results had the Red team have a draw and the White team go down to the top team. Post game with feedback from the players, the decision was made that the Young Bloods would revert back to the one team and play with all their mates for the remainder of the season.

A win is not far away for the boys as the improvement from all is being noticed.

Under 13

Boys

Coach – Owen Millwood
Team Manager – Alanna Ford

Round 6

15/5/2022

Opposition - Seville

The Young Bloods could smell victory on the drive out to Seville, however Coach Spida was without a car as he went to leave having failed to realise that it was left at the train station from the day before! With the coach running late, the boys were left to Mayor Brown having them ready to go.

And ready to go they were, with the boys slamming through 4 goals to nil in the first quarter led by the onball brigade of Reeves, Blenkiron, Naish, and Garratt. We had first use and the forwards of Brown, Condon, Thornton and Jesse (The Body) Desta were making the most of it.

The second and third quarters were dominated by the Young Bloods with strong contributions from Williams, Barry, X (factor) Grimes and Ferguson. The backline was getting a little bored (first time for the year) and so we had to make some large scale changes at $\frac{3}{4}$ time and throw the magnets around as they say. This gave great opportunity for Ollie Haines to have a run on the ball along with Bellemo, Fishburn and Boyd and the run and carry continued. Braydon “The Knife” Sharp was loving being near the goals (in our forward end this time) as some of our more experienced players had a well earned rest. In a highlight of the match, Jimmy Thornton showed the bombers how to play slotting through his first ever goal in a rostered match (we do remember the practice match goal Jimmy!).

The Young Bloods ran out convincing winners with the sharing of the footy and general teamwork being outstanding. The boys celebrated and sang the club song loud and proud for the first time in 2022 which was well deserved by all.

Round 6

15/5/2022

Opposition - Healesville White

This week saw us travel to the picturesque Queens Park oval to take on the fellow Bloods, Healesville. With a few men down due to illness, other players stepped up to help the team continue on its winning way.

The attitude of these boys to improve week on week is continuing to show as we progress through the season. Keep growing throughout the journey boys and anything is possible.

Well done team.

Cheers

Scott

Round 5

08/5/2022

Opposition - Gembrook/Cockatoo

We were expecting a tight contest in our Round 5 clash against Gembrook and that is exactly what we got with the game going right down to the wire..

Getting off to a good start was a key focus this week and it was pleasing the boys responded and came in at quarter time with a slender 1 point margin in what was a tough and willing first quarter.

The second term saw the Bloods kick 3 goals to 1 to take a 10 point lead into the half time break.

The 2nd half was a very even contest in what was a great game of Under 17's footy. Hearts were in our mouths when Gembrook took the lead in the opening stages of the last quarter however the bloods managed to take control and with another two last quarter goals, the lads walked away with a 7 point win in what was a gritty and gutsy performance..

Well done boys!!!

Round 6

15/5/2022

Opposition - Healesville

Calling Round 6 "flu round" with many members and players down for the count with a nasty virus going around.. The Under 17's boys were not excluded with only 15 players available out of our squad of 26.

With thanks to Under 15 boys Cass Hine, Charlie Hooper, Jarvis Reid and Zac Seal the team was able to field a squad of 19 players.

The first quarter was high scoring with Olinda kicking 4.0 to Healesville's 3.4. With 3 goals each in the 2nd term, the Olinda Bloods took a slender 1 point lead at the main break.

The boys were challenged at half time to lift their intensity and take the initiative (not being second to the footy) and whilst there was improvement, we could not shake Healesville and came into 3/4 time with a 2 point lead.

As we have done previously this season, the boys rose to the challenge and played some great "team football" in the last quarter to run away with a hard fought 15 point win. a great effort given the circumstances...

“Our Mission”

Short Mission Statement:

The mission of our club is to provide a positive and enjoyable environment for our children to develop their physical and social skills through their participation in Australian Rules football within our local Hills community.

Long Mission Statement:

The mission of our club is to provide a positive and enjoyable environment for our children to develop physical and social skills through their participation in Australian Rules football within our local Hills community. We will achieve this through our commitment to the following the below core club philosophies:

Player Development: We strive to inspire and develop our players' football skills, confidence, self-discipline, fitness, initiative and sense of teamwork to their highest potential as well as promoting positive personal values and a healthy lifestyle.

Sportsmanship: Our program is designed to instil good sportsmanship in every facet of the game, both on and off the field. We value endeavour, persistence and playing in the true spirit of the game rather than a win-at-all-costs-attitude.

Respect: Our values are based on a foundation of respect for our club, our members, our opponents and officials.

Positive Coaching: We are committed to providing our players with the best possible coaching and will seek to deliver this by actively supporting the accreditation and ongoing development of our coaches.

Active Participation: We encourage and will facilitate the positive involvement and equality of opportunity for all members of our club including players, supporters and volunteers.

Sense of Community: The Hills support a community with a long-standing tradition of healthy competition, participation, and service. We expect our members to take pride in the club and the club to take pride in its role in the community. We seek in return for the community to take pride in our club.

The accomplishment of our objectives will be promoted through the establishment and provision of:

- Quality administrative systems and procedures to support our volunteers;
- A strong financial position;
- A viable membership base;
- Strong links to regional, state, and national football resources and infrastructure.

“Our Policies”

OLINDA FERNY CREEK JUNIOR FOOTBALL CLUB POLICIES:

- OFCJFC players, parents, coaches, spectators, officials & administrators are to abide by the Codes of Conduct detailed in the By-Laws of the Outer Eastern Football League.
- The club and OEFL have a non-smoking policy. Smoking is not permitted inside the perimeter of the playing arena or inside the clubrooms or the undercover area outside the canteen.
- All membership dues must be paid in full before a player takes the field. This includes training.
- Players giving away 30 or 50 metre penalties shall be substituted immediately by the coaching staff (at their discretion).
- Umpires are not to be questioned or approached on game day.
- Mouthguards are compulsory during games. They are highly recommended for training sessions.
- The OFCJFC has in place an approved Covid Safety Plan that is available upon request.
- The club encourages development of players, coaches and officials. All coaches are asked to enrol in a Level 1 AFL accreditation course, which will be paid for by the club. Similarly, trainers are encouraged to enrol in sports trainer's courses, which the club will pay for.
- The club requires the following positions filled each year to operate: President, Vice President, Secretary, Treasurer, Canteen Manager, Sponsorship Manager, Website Co-ordinator, Registration Secretary, Risk Management Officer, Footy Record Co-ordinator, Public Officer, League Delegate, Social Secretary, Property Steward, General Committee.

NO ALCOHOL

TO BE CONSUMED AT JUNIOR FOOTBALL DURING GAME TIME

2017 Tobacco Reforms - Smoking is off the menu!

From 1 August 2017, changes to the *Tobacco Act 1987* will mean that smoking is banned at all Victorian commercial outdoor dining areas when food is available for consumption.

The smoking ban includes:

- premises such as restaurants, cafés, take-away shops and licensed premises, including courtyard dining areas and footpath dining;
- food fairs; and
- within 10-metres of a food stall or vendor at other organised outdoor events, including community or street festivals.

Smoking will also be banned in an outdoor drinking area if any part of that area is within 4-metres of an outdoor dining area, unless separated by a wall of at least 2.1-metres high.

The State Department of Health and Human Services have developed a number of guidelines and fact sheets that explain the new laws and how to comply :
